Dear Mam,

As the blessed month of Ramadan approaches, we are reminded of our duty to help those less fortunate. While many of us look forward to this sacred time, countless families in Karachi struggle to provide basic necessities such as food and shelter. At JDC Foundation, we are dedicated to easing their burden by distributing meals, groceries, medical aid, and shelter to those most in need during Ramadan.

In addition, we are supporting a cause that is close to our hearts: the construction of the Shaukat Khanum Memorial Hospital in Karachi. Cancer is a reality that many families face, and Shaukat Khanum has brought hope and life-saving treatment to patients who otherwise could not afford care. With your support, we aim to build a new hospital, which will enable us to provide quality cancer treatment to thousands more people in need.

Your contribution, no matter how small, will help us get one step closer to making a significant impact. Whether it's helping us provide *iftar* and *sehri* meals to families struggling with food insecurity, offering essential ration packages, medical support, and shelter for the homeless, or aiding in the construction of the hospital by funding medical equipment and patient care, every rupee makes a difference.

You can donate via the following bank details:

Bank Name: Allied Bank of Pakistan Ltd.
Branch: Model Town Branch, Lahore
Account Title: Shaukat Khanum Memorial Trust
A/C #: 0531-0010018634650016
IBAN #: PK43ABPA0010018634650016
Currency: Pak Rupee

Donations can also be made online through our secure website or at any of our centers across the city. For more information or to arrange your donation, please contact us at jdc@donation.com.

If you have any questions, I will be happy to provide more information.

Thank you for your consideration and kindness. Together, we can bring hope and healing to so many during this holy month.

Regards,

Muhammad Shafeen
